Course Description: Electronic Commerce

1- Basic Information:

Course Name	Electronic Commerce
Course ID	A-EC-814
Contact Hours (Registered Sessions)	24
Contact Hours (Synchronized Sessions)	28
Mid Term Exam	_____
Exam	2
Registered Sessions Work Load	35
Synchronized Session Work Load	36
Credit Hours	5
Course Level	6

2- Pre-Requisites:

Course	ID
There is no	_____

3- Course General Objectives:

The course aims to introduce electronic commerce, which is mainly based on the use of modern communication technologies, so that commercial exchange takes place remotely without the physical presence of its parties, and at high speed after replacing paper documents and documents with multiple electronic files. This term was accompanied by many terms imposed by the electronic world in which we live, which calls for its definition and removal of ambiguity on the one hand, and research in many legal aspects associated with it, with the aim of finding jurisprudential and legal solutions to the problems associated with it, and overcoming obstacles that hinder commercial work Mail, and inhibit its development.
